Subject:

Request for Extension on Research Paper Submission — ENG 302

Date:

26 March 2026

Greeting

Dear Professor Sharma,

Opening

I hope this email finds you well. I am writing to respectfully request a short extension on the research paper due for ENG 302, currently scheduled for submission on 30 March 2026.

Context & Reason

Over the past week, I have encountered an unexpected personal circumstance that has significantly impacted my ability to dedicate the necessary time to completing the paper to the standard I aim to uphold. I have made considerable progress on the assignment; however, I require a few additional days to finalise my analysis and revise the draft thoroughly.

Specific Request

I would be deeply grateful if you could grant me an extension until 3 April 2026 — an additional four days beyond the original deadline. I assure you that I take full responsibility for this request and am committed to submitting quality work within the extended timeframe.

Closing

I understand that extensions are not guaranteed, and I genuinely appreciate your consideration. Please let me know if you require any further information or documentation. I am available to discuss this at your convenience.

Sign-off

Yours sincerely,
